4. ACHIEVE is a career and professional development program designed to help students transition to full-time employment after graduation. Students will complete three zero credit courses at Oakland University.

- Once at Oakland University it is best to meet with an Academic Adviser to develop an individualized plan for completing the bachelor degree.
- Additional credits required for OU degree are 42-51 depending on which major is chosen.

- The Business Actuarial Science B.S. does not apply to this agreement due to the different course requirements from the other business majors.
- Students interested in Economics, BS may also take MATH 141 or 151 Calculus. All other business programs (Finance, General Management, Human Resource Management, Management Information Systems, Marketing, and Operations Management only require up to MATH 126 Precalculus.
- Specializations are available in the following:
  - Finance
  - Wealth Management
  - Management Information Systems
  - Business Analytics
  - Information Security Management
  - Operations Management
  - Lean and Quality Management
  - Project Management
  - Supply Chain Management

### **MTA Notes**

- Students who complete Michigan Transfer Agreement (MTA) allows you to satisfy OU's general education requirements (with the exception of a writing intensive course in the major and a capstone course, and you must either transfer in a course for the knowledge applications requirement or take a course at OU). To fulfill the MTA, you must successfully complete at least 30 credits, with at least a C or 2.0 grade in each course.
- MTA courses have been selected to maximize credit efficiency.
- Students who choose not to complete the MTA may need to satisfy additional General Elective requirements upon transferring to OU.
