## Student Travel Policy

### Financial Support for Medical Student Travel for Scholarly Activities

OUWB students are encouraged to present their research at conferences as part of their scholarly work. Students who are accepted to present at conferences within the continental U.S. are eligible to receive up to \$1,000 per academic year to offset travel costs. The following expectations must be met before requesting funding.

**Criteria:** To be considered for funding the following MUST be met:

- The conference must take place in the continental United States.
- The research being presented must have been conducted while enrolled at OUWB.
- For non-Embark projects, students should identify a mentor from either OU, OUWB and/or Beaumont/Corewell *prior* to engaging in any research-related activities.
- The student must be listed as first-author/presenting author on paper/poster/abstract. Only one student per abstract may receive funding support.
- The student has either IRB approval or has submitted a non-human subjects research determination form through Oakland University IRB.
- The research has not been presented before.
- The student has not traveled to another conference to present their work in the current academic year.
- The project must have been completed at either OUWB, OU, and/or Beaumont/Corewell Health/BRI.
- *non*-Embark projects must be registered through the: [OUWB Research Project Registration form](#)
- Students on a leave of absence are not eligible for funding.

**Funding Availability:** Effective academic year 2023/2024, funding will be processed as a financial aid award. Funding per student may not exceed \$1,000 per academic year, maximum one trip per year. Funding will not be accumulated from year to year.

**Information to be submitted for funding approval:** Submit the Medical Student Travel Authorization form, the conference acceptance letter, along with the title, authors and a copy of abstract and/or poster that will be presented at the conference. The mentor or sponsor *must* be affiliated with OU, OUWB or Beaumont/Corewell Health.

Embark travel requests should be sent to [embark@oakland.edu](mailto:embark@oakland.edu)

Extra-curricular project travel requests should be sent to [ouwbresearch@oakland.edu](mailto:ouwbresearch@oakland.edu)
