

Ora Hirsch Pescovitz, M.D.
Curriculum Vita

DATE OF BIRTH: September 23, 1956; Chicago, Illinois

FAMILY: Late Husband, Mark David Pescovitz, M.D.
Daughter, Aliza Beth
Son, Ari Samuel
Daughter, Naomi Rachel

EDUCATION:

1973-1974 Hebrew University, Jerusalem, Israel

1974-1978 Honors Program in Medical Education
Northwestern University, B.M.Sc.
Evanston, Illinois

1976-1979 Northwestern University Medical School, M.D.
Chicago, Illinois

PROFESSIONAL TRAINING:

1979-1981 University of Minnesota, Minneapolis, Minnesota
Pediatrics Residency

1981-1982 Children's Hospital National Medical Center, Washington, DC
Pediatrics Residency

1982-1985 Medical Staff Fellow, Endocrinology
Developmental Endocrinology Branch
National Institute of Child Health and Human Development,
National Institutes of Health

BOARD CERTIFICATION:

Diplomate, American Board of Pediatrics; May 1985
Certification, American Board of Pediatric Endocrinology
and Metabolism; 1986

National Provider Identifier (NPI) 1487760914
Licensed Physician – State of Michigan – expires: 01/31/2016
Licensed Physician – State of Indiana – expires: 10/31/2017

AWARDS AND HONORS:

Ora Hirsch Pescovitz, M.D.
Curriculum Vita

1982	1st Place, E. Clarence Rice Award for Scientific Competition Children's National Medical Center
1985-1986	Outstanding Faculty Educator Award; Department of Pediatrics, University of Minnesota
1987-1988	Honorable Mention, Outstanding Faculty Educator Award; Department of Pediatrics; University of Minnesota
1991	Leon Librick Memorial Lecturer, University of Illinois, Peoria

SELECTED INVITED PRESENTATIONS, REVIEWS AND CHAIRMANSHIPS:

1983:

LHRH Analog Treatment of Precocious Puberty. Endocrinology Rounds, University of Tokyo; Tokyo, Japan. August.
Growth Hormone Releasing Factor: Diagnostic and Therapeutic Applications; Endocrinology Rounds, University of Tokyo; Tokyo, Japan. August.
LHRH Analog Treatment of Precocious Puberty. Pediatric Grand Rounds, University of Minnesota; Minneapolis, MN. October.
Precocious Puberty: New Forms of Treatment. Pediatric Grand Rounds, Children's Hospital National Medical Center; Washington, D.C. November.

1984:

LHRH Analog Treatment of Central Precocious Puberty Complicating Congenital Adrenal Hyperplasia. Symposium on Advances in Congenital Adrenal Hyperplasia. Satellite Meeting of the VIIth International Congress of Endocrinology, July 7-9.
Disorders of Puberty. Pediatric Endocrinology Rounds. Beilinson Hospital, Petach Tikva, Israel. August.
Gonadotropin Dependent and Gonadotropin Independent Precocious Puberty. Endocrinology Research Grand Rounds, Massachusetts General Hospital, Boston, Mass, November.
Precocious Puberty: New Forms of Treatment. Pediatric Grand Rounds, University of Chicago, Chicago, Illinois, December.

1985:

Gonadotropin Dependent and Gonadotropin Independent Precocious Puberty. Endocrinology Research Rounds. Johns Hopkins University, Baltimore, Maryland, February.
Management of Abnormal Puberty. Endocrinology Rounds, University of Miami, Miami, Fla, February.
Precocious puberty. Obstetrics and Gynecology Grand Rounds, University of Minnesota, Minneapolis, MN, October.

1986:

Hypothalamic Releasing Hormones. Internal Medicine Grand Rounds, University of Minnesota, January.
Failure to Thrive. Topics and Advances in Pediatrics, University of Minnesota, Minneapolis, MN, June.
LHRH Analog Therapy of Gonadotropin Dependent and Gonadotropin Independent Precocious Puberty. Minnesota Endocrine Club, October.
How does the clinician differentiate central from peripheral precocious puberty? 144th Annual Convention of the "Academia Medica del Sur," Ponce, Puerto Rico, December.

Ora Hirsch Pescovitz, M.D.
Curriculum Vita

Congenital Hypothyroidism and Neonatal Screening. 144th Annual Convention of the
"Academia Medica del Sur," Ponce, Puerto Rico, December.

1988:

Precocious Puberty: An Update. Pediatric Grand Rounds, University of Minnesota, Minneapolis, MN, March.

Growth Hormone Releasing Hormone: A hypothalamic and an extrahypothalamic factor. Endocrine City-Wide Conference, University of Minnesota, Minneapolis, MN, April.

Clonidine Therapy of Short Stature: Results of a Double-Blind, Placebo-Controlled Trial. Endocrine City-Wide Conference, University of Minnesota, Minneapolis, MN, April.

Chairman oral session, Fetal and Neonatal Endocrinology, The Endocrine Society, New Orleans, La., June.

Premature Sexual Development. Topics and Advances in Pediatrics. Minneapolis, MN, June.

Growth Hormone Releasing Hormone: A hypothalamic and an extrahypothalamic factor. Research Seminar, Developmental Endocrinology Branch, NICHD, NIH, Bethesda, MD, June.

Precocious puberty - A new perspective, Eli Lilly Pediatric Nursing Symposia, Indianapolis, IN, August 25, 26 and September 1, 2.

Extrahypothalamic sources of growth hormone releasing hormone. Research symposium; Department of Physiology and Biophysics; Indiana U, September.

Fetal Growth. Eli Lilly Endocrine Fellows Symposium, Indianapolis, September.

Growth hormone releasing hormone as a possible paracrine factor. Stonybrook Medical Center Research Rounds, Stonybrook, NY, October.

Lessons learned from treating children with precocious puberty. Midwest Pediatric Endocrine Society, Chicago, Ill, November.

Precocious puberty. Pediatric Grand Rounds, Riley Children's Hospital, Indianapolis, IN, November.

1989:

Application of GnRH Agonists. Nebraska Chapter American Academy of Pediatrics, Lincoln NE, April.

Precocious puberty. Obstetrics and Gynecology Grand Rounds, Indiana University, September.

Management of precocious puberty. Care of the Seriously Ill Child Conference, Indiana University, October.

Endocrinology of puberty. Eli Lilly Endocrine Fellows Symposium, Indianapolis, IN, October.

The endocrinology of the pubertal growth spurt. Workshop on Current Trends of Growth Related Research. Haifa, Israel, October.

1990:

The management of precocious puberty using GnRH analogs. Third Annual Meeting of Pediatric Endocrinologists: PESKIMO, Columbus, Ohio, February.

Ora Hirsch Pescovitz, M.D.
Curriculum Vita

Normal and abnormal mechanisms of pubertal growth. Third annual Meeting of Pediatric Endocrinologists PESKIMO, Columbus, Ohio, February.
Hormonal aspects of puberty. Society for Adolescent Medicine, Atlanta, Georgia, March.
Management of precocious puberty. Eli Lilly Pediatric Nursing Symposia, Indianapolis, IN, August.
Recent management of growth disturbances. 18th Annual Fall Symposium Recent Advances in Pediatric Care, Indianapolis, IN, October.
The clinical spectrum of female isosexual precocious puberty. NIH Conference on Sexual Precocity: Advances in Research and Treatment, Airlie House, Va, October 28-31.
Diagnosis and treatment of precocious puberty. Kaiser Pediatric Endocrinology Symposium. Oakland, CA, November 7.

1991:

Diagnosis and treatment of precocious puberty. Delaware County Medical Academy, Muncie, IN, January 8.
Management of growth disturbances. Ball Memorial Hospital Grand Rounds. Muncie, IN, January 9.
Testicular Growth Hormone Releasing Hormone. Endocrinology Research Conference, Indiana University Medical School, Indianapolis, IN, February 11.
Growth Hormone Therapy in the '90's: Who Should be Treated? Lexington Clinic 36th Annual Clinical Conference. Lexington, Kentucky, March 21.
Sexual Precocity. Humatrope Opinion Leader Program. Indianapolis, April 30.
The Spectrum of Premature Pubertal Development. Leon Librick Memorial Lecture. Peoria, Illinois, May 23.
Robert A. Ulstrom Pediatric Endocrinology and Metabolism Symposium; co-Chairman and Moderator; Minneapolis, MN, June 11.
Treatment of Precocious Puberty. II International Congress on Therapy in Andrology. Pisa, Italy, June 13-15.
Precocious Puberty. Pediatric Grand Rounds. Methodist Hospital, Indianapolis, IN, Sept. 4.
The Spectrum of Precocious Puberty. Pediatric Grand Rounds. University of Minnesota, Minneapolis, MN, October 2.

1992:

The Mechanism of the Pubertal Growth Spurt. Humatrope International Pediatric Endocrinology Program. Indianapolis, IN, May 5.
Chairman, Endocrinology Platform Session, American Pediatric Society/Society for Pediatric Research, Baltimore, MD, May 7.
Precocious Puberty. Endocrine Nurses Society. Second Annual Symposium. The Endocrine Society, San Antonio, June 24.
Member of Organizing Committee and Chairman of Workshop: Growth Factors in Perinatal Development, 12th Annual Bristol-Myers Squibb/Mead Johnson Nutrition Research Symposium, Cincinnati, Ohio, September 10-11.

Ora Hirsch Pescovitz, M.D.
Curriculum Vita

Early Puberty: Differential Diagnosis. IVth Annual Hamot Endocrinology Conference: Pediatric Endocrine Disorders. October 30, Erie, PA.

1993:

Ethical Issues in Growth Hormone Treatment of Normal Children with Short Stature. New Horizons in the Practice of Medicine. Indianapolis, IN, May 14.

Chairman and Moderator of the XI International Symposium on Endocrinology and Development sponsored by Eli Lilly and Company, Indianapolis, IN, June 2.

Chairman of Symposium: Neuroendocrinology of Reproduction, Fourth Joint LWPES/ESPE Meeting, San Francisco, CA, June 4.

Chairman of Clinical Symposium: Precocious Puberty, The Endocrine Society, Las Vegas, NV, June 9.

"Heightism in our Society." Indiana University Medical School Mini Medical School Community Program. Indianapolis, IN, October 19.

1994:

Neuropeptides in Testis. Department of Anatomy and Cell Biology Seminar. University of Cincinnati, Cincinnati, Ohio, January 27.

Chairman, Indiana U.-U. of Cincinnati Joint Pediatric Endocrinology Seminar, Indianapolis, Indiana, April 26.

"Update in Pediatric Endocrinology: Puberty"; The Endocrine Society; 76th Annual Meeting, Anaheim, CA, June 16.

Visiting Professor-University of Minnesota: September 21-23:

Clinical Implications of Molecular Advances in Puberty. Pediatric Grand Rounds.

Growth Hormone Releasing Hormone in Testis. City-Wide Endocrine Conference.

1995:

Behavioral Endocrinology from Childhood to Adolescence: Perspectives on Development from Four Laboratories. Society for Research in Child Development, Indianapolis, IN, April 1.

"Growth Hormone Releasing Hormone in Testis: Role as a Paracrine Spermatogenic Factor." Children's Memorial Institute for Education and Research Research Conference, Chicago, IL, April 3.

Chairman, Endocrinology Platform Session, American Pediatric Society/Society for Pediatric Research, San Diego, CA, May 9.

"Molecular Disorders of Puberty." PESTOLA Annual Meeting, Houston, TX, June 3.

Meet the Professor Sessions at the 77th Annual Meeting of the Endocrine Society, Washington, D.C., June 15.

"Analysis of reasons for stopping GH therapy." Growth Hormone and Growth Factors in Endocrinology and Metabolism, International Congress Center, Berlin, September 29-30.

1996:

- “Molecular Diagnosis of Disorders of Puberty.” Endocrine Grand Rounds. Indiana University, Indianapolis, IN, February 21.
- “The Role of Growth Hormone Releasing Hormone (GHRH) and a Novel Product of the GHRH Gene in Testis.” Grand Rounds. National Institutes of Health, Bethesda, MD, March 1.
- “A Novel Peptide Product of the Growth Hormone Releasing Hormone Gene.” Endocrine Research Seminar, Indiana University, March 11.
- “Growth Disorders in Childhood.” Visiting Professor, Union Hospital, Terre Haute, IN, March 15.
- “The Use of Growth Hormone in Pediatrics.” Visiting Professor, St. Joseph’s Medical Center, South Bend, IN, March 20.
- “A Novel Product of the Growth Hormone Releasing Hormone Regulates Sertoli Cell Function.” Endocrine Grand Rounds, Johns Hopkins University, April 24.
- Chairman, Endocrinology Platform Session, American Pediatric Society/Society for Pediatric Research, Washington, D.C., May 7.
- “A Novel Product of the Growth Hormone Releasing Hormone Regulates Sertoli Cell Function.” Endocrine Research Seminar, Northwestern University, May 24.
- Chairman, Male Reproduction Platform Session. 10th International Congress of Endocrinology, San Francisco, CA, June 12.
- “Precocious Puberty.” Meet the Professor Sessions. 10th International Congress of Endocrinology, San Francisco, CA, June 15.
- “Too Tall, Too Small.” Indiana Academy of Family Practice 48th Annual Scientific Assembly. French Lick, IN, July 26.
- “What’s New in Precocious Puberty?” Pediatric Visiting Professor, Butterworth Hospital, Grand Rapids, MI, August, 6.
- Visiting Professor, University of Washington School of Medicine, Seattle, WA, September 18-19
- “A Novel Testicular Product of the Growth Hormone Releasing Hormone Gene,” The Population Center Research Conference.
- “Precocious Puberty: Approaches to Diagnosis and Treatment.” Pediatric Grand Rounds.
- “McCune Albright Syndrome and Familial Male Precocious Puberty.” Endocrine Rounds. National Cooperative Growth Study National Meeting: Special Lecture: “Disorders of Puberty: Inactivating and Activating Molecular Mutations.” San Francisco, CA, October 19.
- Moderator, “Small for Gestational Age.” Second International KIGS Expert Meeting. Como, Italy, November 7-8.

1997:

- “A novel product of the growth hormone releasing hormone gene.” Pediatric Faculty Research Seminar, James Whitcomb Riley Hospital for Children, Indianapolis, IN, February 10
- “Advances in the Molecular Causes of Disorders of Puberty.” Pediatric Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, CA, February 27
- “A novel testicular peptide product of the growth hormone releasing hormone gene.” Cedars-Sinai Medical Center Research Seminar, Los Angeles, CA, February 27

"Career Paths: Time management." Educational seminar at the 1998 Pediatric Academic Societies' Annual Meeting, New Orleans, LA, May 3
"What's New in Pediatric Endocrinology?" Meet the Professor Sessions. 80th Annual Meeting of the Endocrine Society, New Orleans, June 26
"Tamoxifen Treatment of McCune-Albright Syndrome." Pediatric Endocrinology Advisory Board, Zeneca Pharmaceuticals, Rittenhouse Hotel, Philadelphia, August 28
"The Spectrum of Premature Thelarche and Central Precocious Puberty." New Jersey Pediatric Endocrine Society, September 9
"Growth Hormone Releasing Hormone" Genentech Clinical Day, University Place Conference Center, Indianapolis, IN, October 1

Ora Hirsch Pescovitz, M.D.
Curriculum Vita

- “Precocious Puberty: GH and GnRH Analogs: Theoretical Considerations,” NCGS Coordinators and Investigators Annual Meetings, New Orleans, October 5 and 9
- “Growth Problems in the Pubertal Period” Annual Meeting of the Pediatric Endocrinologists of Turkey, Antalya, Turkey, October 30
- “Growth in Children with Chronic Renal Failure.” Annual Meeting of the Institute of Mexican Nephrologists, Acapulco, Mexico, December 2-5

1999:

- “Precocious Puberty-Advances in Diagnosis and Treatment.” 7th Annual Pediatric Endocrine Symposium at Maimonides Medical Center. Brooklyn, NY, February 9
- “The role of pubertal delay in short stature.” Workshop on Idiopathic Short Stature. St. Paul de Vence, Nice, France, April 19
- Chair, Pediatric Endocrine Programs at Society for Pediatric Research, San Francisco, May 1-4
- “Novel Products of the Growth Hormone Releasing Hormone Gene.” Indiana University, Physiology Seminar series, May 28
- “What is New in Pediatric Endocrinology?” 1999 Global Medical Conference. Eli Lilly and Company, Indianapolis, IN, June 10
- Chair, Neuroendocrine Control of Puberty Symposia, 81st Annual Meeting of the Endocrine Society, San Diego, June 15
- Integrator of “Ontogeny of Puberty” Session at the 5th International Conference on the Control of the Onset of Puberty. Liege, Belgium, September 26-28
- Anna Zager Visiting Professor of Pediatrics, Haifa, Israel, October 11-15
- “Disorders of Puberty,” Indiana University School of Medicine National Center of Excellence in Women’s Health, November 19
- “Update on the Diagnosis and Management of Precocious Puberty.” Pediatric Grand Rounds, University of Kentucky, Kosair Children’s Hospital, Lexington, KY, December 2
- “Precocious Puberty.” The Montgomery-Prince George’s Pediatric Society. Washington, D.C., December 6

2000:

- “The McCune Albright Syndrome.” Investigator Meeting of Nolvadex Treatment of McCune Albright syndrome- Astra Zeneca Pharmaceuticals. Phoenix, AZ, January 22
- The Arnold H. Einhorn Lecturer, Children’s National Medical Center, George Washington University, Washington, DC, February 16
- “GHRH-related peptide: a novel product of the growth hormone releasing hormone gene.” Biology Seminar, Department of Biology, Indiana University-Purdue University, Indianapolis, March 3
- Testimony before the Appropriations Committee of the U.S. Congress, John Porter, Chairman; on behalf of the Public Policy Council of the Pediatric Academic Societies. Washington, March 14
- Workshop Chair: “Growth Hormone Deficiency: Perspectives from the Clinician and payor Communities, Phoenix, AZ, March 18-20

Ora Hirsch Pescovitz, M.D.
Curriculum Vita

Novel Peptides Resulting from the GHRH Gene. University of Massachusetts Guest Lecture Series, March 28

Co-Chair, Symposium: Estrogen: New insights for men and women. 29th International Symposium: GH and Growth Factors in Endocrinology and Metabolism. Marrakech, Morocco, April 7-8

Pediatric Grand Rounds and Endocrine Visiting Lecturer, University of North Carolina, Chapel Hill, April 13

Chair, State of the Art Plenary: Hormones, nutrient substrates, and metabolism: critical changes at birth. Pediatric Academic Societies, Boston, May 13

Co-Chair, "Target pathways and mechanisms of action of hormones"; Speaker, "Clinical Conclusions: perspectives for future research and preventive measures." RH Workshop, Hormones and Endocrine Disrupters in Food and Water: Possible Impact on Human Health. Copenhagen, May 27-30

"Research at the Indiana University School of Medicine." Guest Speaker, Bowen Awards Dinner, Indiana University School of Medicine, Indianapolis, Nov. 3

"Molecular Mechanisms of Childhood Growth Hormone Deficiency." Multidisciplinary Endocrinology Conference, University of Louisville, Nov. 15

2001:

"The Indiana Genomics Initiative." Indiana Physicians Advisory Council. Indianapolis, February 10

"Research at the Indiana University School of Medicine." Guest, IUPUI Board of Advisors, Indianapolis, March 7

"Precocious Puberty." Pediatric Seminar, Fort Wayne, Indiana, March 21

"Research at the Indiana University School of Medicine." Executive Committee, Indiana University School of Medicine, Capital Campaign, Eli Lilly Corporate Center, Indianapolis, March 21

"Novel Peptides of the Growth Hormone Releasing Hormone Family." Physiology Research Conference, Southern Illinois University, Carbondale, Illinois, April 13

Chair/Moderator, "Entrepreneurism and conflicts of interest in academic medicine." State-of-the-Art Plenary Session. Pediatric Academic Societies' Annual Meeting, Baltimore, April 29
Society for Pediatric Research Presidential Address: "Pediatric Research in the Era of Genomics." Pediatric Academic Societies' Annual Meeting, Baltimore, April 30

"The Indiana Genomics Initiative." Endocrinology Research Conference, Indiana University School of Medicine, Indianapolis, May 21

"The Indiana Genomics Initiative." Talk to Senator Evan Bayh's Staff, Indiana University Library, Indianapolis, May 29

"The Era of Genomics." Lecture to The Planned Giving Committee, Dean's Room, IUPUI Convention Center, Indianapolis, July 16

"The Era of Genomics." Lecture to ATAIN (Access Technology Across Indiana), Ruth Lilly Education Center, Indianapolis, July 19

"The Indiana Genomics Initiative." Indiana University Purdue University Academic Deans Retreat, Indianapolis, August 20

Ora Hirsch Pescovitz, M.D.
