GPA & minimum course requirement of 2.0 is required in all MIS courses. Field experience is an integral part of the criminal justice curriculum. Students must have an overall GPA of 2.0 and a GPA of 2.3 in the major, completed all required and core courses, and met with the director of field services and student support to secure an internship placement prior to enrolling in CRJ 4950. At least 16 credits in CRJ courses must be completed at OU. The term "elective" may not be completely "free" in that this table does not address the university requirements of G.E.
