Cross Borders: Education & Human Services and STEM Collaborations

Wednesday, Oct. 4

Facilitated by WISER Team & Michael MacDonald

- Incorporate service learning into your STEM research program
- Bring your Broader Impact to the K-12 student population
- Strengthen your grant proposal with solid evaluation

Coffee and Conversation: What Does Effective Teaching Look Like?

Wednesday, Oct. 11

Facilitated by Judy Ableser

Join us for an open conversation:

- What is effective teaching?
- How do we know if we are effective?
- What evidence do we use to demonstrate our effectiveness?

2017 Teaching Excellence Winners

Wednesday, Oct. 18

John Krauss and Michele Plattenberger

Join us for a special session highlighting and celebrating our 2017 Teaching Award Winners. Come and hear their stories and learn tips on how they engage, inspire and connect with students.
