

Finding High Interest, low reading level books using the ERL library Catalog

The ERL owns many books that are high interest, aimed at readers from middle school through high school, but written at very low reading levels ; some as low as 2nd or 3rd grade difficulty. These books are useful for reluctant readers, struggling readers and ELL/ESL readers. You can find these Hi-Lo books using the library catalog.

Go to *Advanced Search*, and use the phrase *high interest*; limit your search to the Educational Resources Lab
