Professor and Chair, Department of Biomedical Sciences, Oakland University William Beaumont School of Medicine

* Indicates Medical Education Week Committee member

Additional Medical Education Week Committee members:

Alexia Allen
Coordinator, Continuing Medical Education, Beaumont Health System

Dwayne Baxa, PhD
Assistant Professor, Biomedical Sciences, Oakland University William Beaumont School of Medicine

Lori Kurkowski
Undergraduate Medical Education Clinical Coordinator Assistant, Beaumont Health System

Stephen Loftus, PhD
Associate Professor, Biomedical Sciences, Oakland University William Beaumont School of Medicine

Medical Education Week Mission Statement

Medical Education Week highlights innovative research and advancements in medical education at the Oakland University William Beaumont School of Medicine. Its purpose is to honor faculty members who contribute to the improvement of medical education. Its diverse and multifaceted program brings prominent speakers in the medical education field together to share their expertise over the course of three compelling days.

All of the sessions for the 3rd Annual William M. Davidson Medical Education Week will occur at Beaumont Hospital, Royal Oak, unless otherwise noted.

Events presented at Royal Oak will be streamed at the following locations:

OUWB: 216U O'Dowd Hall

Grosse Pointe: Connelly Auditorium

Troy: Surgical Learning Center Classroom

5/19 - Ground Floor Classrooms 1 and 2

5/20 - Ground Floor Classrooms 3 and 4

5/21 - Ground Floor Area C Conference Room

Poster abstracts will be displayed at all Beaumont locations and Oakland University William Beaumont School of Medicine during the 3rd Annual William M. Davidson Medical Education Week.

The mission of the Oakland University William Beaumont School of Medicine Center for Excellence in Medical Education (CEME) is to foster a culture of excellence among the biomedical sciences and clinical faculty members through focused faculty development activities with a shared commitment to better educate tomorrow's physicians.

This activity has been approved for meaningful participation credits.
