Michael Barnes, M.D., FACP

Co-Director, Integrated Medical Unit, Beaumont Royal Oak
Medical Director for Service, Beaumont Medical Group
Oakland University William Beaumont School of Medicine

Temple A. Ratcliffe, M.D., FACP

Associate Professor/Clinical of Medicine
University of Texas Health

Jo Medado-Ramirez, B.S.N., R.N.

Clinical Nurse Manager
Beaumont Hospital, Royal Oak

Description:

Inter-professional collaborative practice and education is crucial to provide the best care and treatment to patients in our technologically advancing and collaborative medical field. Yet many clinicians may not be aware of the importance of these practices and how they benefit not only patients but the future and current medical professionals they teach and interact with. This presentation will cover an overview of inter-professional collaborative practice (IPCP) and inter-professional education, and provide strategies and tactics that clinicians can use to promote these practices in their learning environment.

Objectives:

1. Distinguish inter-professional collaborative practice (IPCP) and inter-professional education (IPE).
2. List the four inter-professional Education Collaborative (IPEC) core competencies.
3. Identify opportunities for teaching and learning in IPCP and IPE settings.

Target Audience:

Faculty, physicians and staff.

CME Accreditation and Credit Designation

Beaumont Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Beaumont Health designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™].

This activity is eligible for a Meaningful Participation credit.
