

Consequence of the Loss of Access to the BHS Medical Record System (HIPAA)

Authorizing Body: Office of the Dean

Author: Robert J. McAuley, Ph.D.

Date Issued: July 1, 2013

Last Update: April 21, 2014

Rationale:

Beaumont Health System is the exclusive clinical affiliate of the Oakland University William Beaumont School of Medicine.

Scope and Applicability:

All students enrolled in the School of Medicine

Standard Practice Guideline:

Beaumont Health Systems is required by federal statute (HIPAA) to protect the privacy of its patients and the Security of its medical record system.

Procedures:

If the Health System determines that a medical student is to lose access to the electronic medical record due to a violation of HIPAA Privacy and Security Rules, this will result in the student being dismissed from the School of Medicine without recourse of appeal.
