

Immunizations

Authorizing Body:

Office of the Dean

Author:

Associate Dean for Student Affairs

Date Issued:

August 1, 2011

Last Update:

2/19/18

Rationale:

To ensure a safe and healthy learning environment

Scope and Applicability:

All students enrolled in the School of Medicine

Standard Practice Guideline:

All incoming medical students must be in compliance with the AAMC immunization requirements in order to commence and continue enrollment. The AAMC immunization form and guidelines are available at:

https://www.aamc.org/members/gsa/committees_gsa/cosr/437702/standardizedimmunizationform.html

Follow-up counseling and testing at the hospital site, Graham Health Center, or with the Primary Care Provider may be required.

Procedures:

All students matriculating at the OUWB School of Medicine are required to submit the AAMC immunization form along with supporting documentation to OU's Graham Health Center for it to be reviewed and approve the student's immunizations. Students not in compliance with this guideline will be reviewed by the SPRC for action up to and including dismissal.
