

Master of Interdisciplinary Studies (MIS)—Individual Study

Program Path:

IDS Type: Unrestricted IDS

Program Type: Foundational IDS Program

Description: The Master of Interdisciplinary Studies degree program provides an opportunity for the highly motivated student to pursue a unique course of study that combines graduate course work in a learner-centered approach to graduate education. The student is an active participant in proposing a curriculum that supports an individualized and scholastically rigorous academic goal in a clearly defined, multidisciplinary program. To expand the program's range of options and interdisciplinary perspectives, the program allows for cooperative ventures with other approved colleges and universities. (From website.)
