IMPORTANT NOTES:

A 2.0 minimum grade is required in all required major and cognate courses. A cumulative GPA of 2.0 overall is required.

This major is offered jointly by the Department of Mathematics and Statistics and the Department of Economics.

This major provides students with the analytical and reasoning skills to successfully complete the first two exams in actuarial science offered by the Society of Actuaries.

Students should meet regularly with their faculty adviser to discuss sequencing of courses as well as other preparation for a successful career as an actuary.
