With no substitutions or exceptions 26 credits of 300-400 level classes will be met by major

## IMPORTANT NOTES:

A minimum GPA of 2.0 overall and in major is required for degree.

At least 16 credits in Biology courses must be completed at Oakland University.

Students must apply for major standing in Biology at least three semesters prior to graduation. Students can be admitted to major after completion of one year of introductory biology (111, 113, and 116) plus two other BIO courses, one year of general chemistry, and mathematics through MTH 141. See faculty adviser for details.

## ADVISER NOTES:

This worksheet is for advising purposes and is a summary of degree requirements based on available information at the time of completion. Students are responsible for verifying major requirements with the department faculty adviser and for reading the undergraduate catalog for all requirements necessary to complete their degree at Oakland University.
