

COMMUNITY COLLEGE PARTNERSHIP PROGRAMS

Oakland University has partnered with area community colleges to create the first joint admission and concurrent enrollment programs in the state of Michigan: **M2O** with Macomb Community College; **Mott2O** with Mott Community College; **O2O** with Oakland Community College; and **SC2O** with St. Clair County Community College. To learn more, or apply for admission, visit oakland.edu/cc2o.

BENEFITS

Benefits of the community college partnership programs include:

- Admission to both institutions through one free online application
- Coordinated advising — OU and the community college partner work together to keep students on track to reach their educational goals
- The flexibility to take courses at one or both institutions at the same time
- Expanded course selection — students may take courses offered at Oakland University's main campus in Rochester or their community college partner location, plus online courses offered by both institutions
- Access to student activities and resources on both campuses, including OU housing
- The ability to combine OU credits with transferable community college credits to maximize financial aid eligibility
- The option to complete an associate degree while working toward a bachelor's degree
- Reverse transfer — students may transfer OU credits back to the partner community college to fulfill associate degree requirements

WHO MAY APPLY

The following students may apply for a community college partnership program:

- First-year college students
- Transfer students (with 32 or fewer credits)
- Current OU students (with 32 or fewer credits)
- Current community college students (with 32 or fewer credits)

The following student types may not apply for a community college partnership program: international students, varsity student-athletes, some club sport participants, second-degree-seeking students, and students with more than 32 credit hours.

INFORMATION SESSIONS

Students interested in a community college partnership program are strongly encouraged to attend an information session. Sign up at oakland.edu/visit.

Office of Undergraduate Admissions

101 North Foundation Hall
2200 North Squirrel Road
Rochester, MI 48309-4401
(800) OAK-UNIV
cc2o@oakland.edu
oakland.edu/cc2o

ADMISSIONS INFORMATION

ADMISSION FOR FRESHMEN

Admission is based on a combination of criteria, including cumulative GPA in academic subjects of 3.2 or above. Applicants with a cumulative GPA below 3.2 but above 2.5 may be admitted after consideration of the quality of academic preparation. Apply online at oakland.edu/cc2o.

Send ACT scores to both OU and the partner community college.

Oakland University: ACT code 2033

Macomb Community College: ACT code 2054

Mott Community College: ACT code 1996

Oakland Community College: ACT code 2043

St. Clair County Community College: ACT code 2046

ADMISSION FOR TRANSFERS

Transfer students with 32 or fewer earned college credits at the time of application and a minimum 2.5 GPA will be considered for admission. Positive trends of most recent grades will also be considered. For transfer students with fewer than 24 earned college credits at the time of application, admission will be based on both college and high school records. Once admitted, transfer students will receive a preliminary transfer credit evaluation of coursework completed at other institutions. Find out what credits will transfer from Michigan community colleges to Oakland University by using the transfer equivalency guide located online at oakland.edu/equivalency.

Before applying, interested students should meet first with a representative from OU's Office of Undergraduate Admissions. Apply online at oakland.edu/cc2o.

CURRENT OU STUDENTS

Current Oakland University students with 32 or fewer credit hours may join a community college partnership program. Current OU students can complete an update form at the Office of Undergraduate Admissions.

Students are encouraged to speak with a financial aid representative before joining a community college partnership program. Apply online at oakland.edu/cc2o.
