## INTERNATIONAL BACCALAUREATE TRANSFER GUIDE

Oakland University values the International Baccalaureate Diploma Programme and its engaging and challenging curriculum that encourages critical thinking, intercultural understanding and respect. Oakland welcomes applications from IB students, whether you have the IB diploma or certificates in individual IB subjects. Credit will be awarded based on the score received in each higher level IB exam that may count toward a specific course required for graduation, general education requirements, or total credits required for graduation.

IB students apply to Oakland University through the Office of Undergraduate Admissions. Apply for free at [oakland.edu/apply](http://oakland.edu/apply). To check your admission status or to learn about academic programs, contact the Office of Undergraduate Admissions. The undergraduate catalog can also be found at [oakland.edu/catalog](http://oakland.edu/catalog).

Have your IB transcript sent to the Oakland University Office of the Registrar to determine how your scores transfer. For questions about your exam score equivalencies, contact the transfer articulation coordinator in the Office of the Registrar.

EXAM NAME	SCORE	OU COURSE EQUIVALENCY	GEN ED	CREDITS
Biology HL	4	None*	No	4
	5 or above	BIO 111 and 113	NSTN	8
