

Professional and Continuing Education (PACE)

Request for Release of Grizzly ID

Please complete this form if you need to discover your Grizzly ID. Upon receipt of the form and documentation, an Oakland University employee will call you and tell you your Grizzly ID. Oakland University respects your privacy. We need certain information to verify your identity before we call and release your Grizzly ID.

Current students can stop at any student service office on campus, or at 220D Dodge Hall, present a photo ID (Driver's License), and obtain their Grizzly ID in person.

Please note that your Grizzly ID was emailed to you upon signing up as a PACE student and may still be in your inbox. It is faster and easier to check your email first.

If none of those methods work for you, please complete this form, print it, sign it, and submit it with supporting documentation as noted.

Information for Release of Grizzly ID	
Name	<input type="text"/>
