

OAKLAND GOLDEN GRIZZLIES ATHLETICS

~PRESENTS~

THE NEED FOR LEPLEY RENOVATION

The Ethos of Oakland University Athletics:

Statement of Belief

Oakland Golden Grizzlies Athletics will provide a **first-class** experience for student-athletes and promote an environment that fosters success in the classroom, in competition, and in the community, while maintaining a focus that is consistent with University objectives for excellence in all areas:

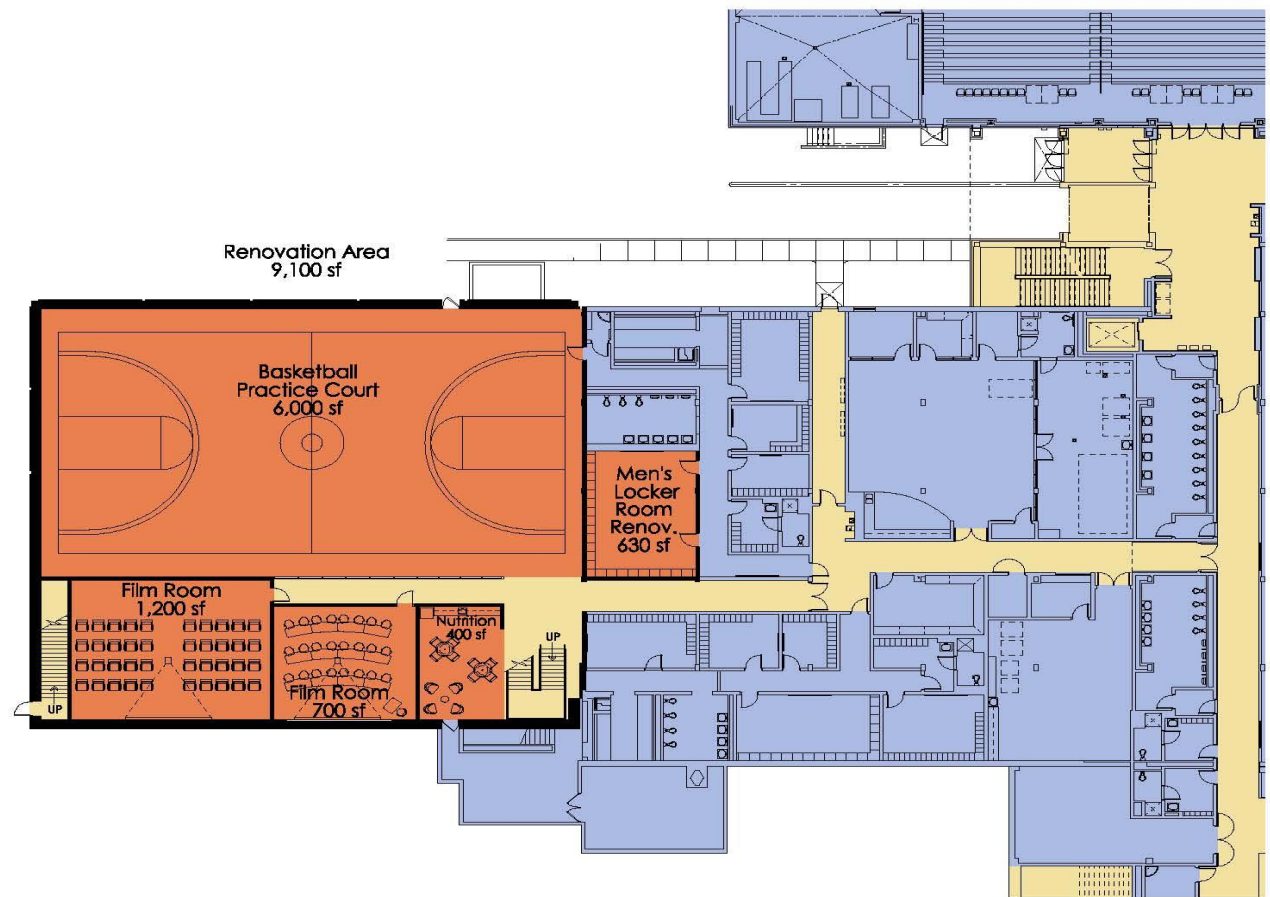

- ❖ Create and maintain an environment that encourages personal and professional growth, and the pursuit of **knowledge**, while advancing University and Athletics goals;
- ❖ Be **innovative** and creative to consistently seek once unimaginable accomplishments by utilizing a **forward-thinking** mindset;
- ❖ Reinforce a positive image of Oakland University and metro Detroit on the regional and national stage;
- ❖ Commit to the principles of fiscal responsibility and **efficiency**, gender equity, diversity and good sporting conduct by all coaches, administrative staff and student-athletes, and;
- ❖ Have a **positive attitude** and give **maximum effort** in trying to achieve the broader University mission statement and values while providing a **welcoming environment** and be **relationship oriented** when interacting with University students, faculty, staff, alumni, sponsors, donors and friends.
