

All non-business students must contact a faculty minor coordinator to discuss course selection and to officially declare the minor. Please note:

- A minimum grade of C is required for each course and any prerequisites for minor courses.
- Transfer students are required to take a minimum of nine credits in the minor at Oakland University and at least six of the nine credits must be 3000-level courses or higher.

Students are limited to a maximum of 25 percent of their total degree credits in business courses (also applies to economics and actuarial science majors, who are a part of the College of Arts and Sciences, as well as to courses taken at OU and all previous colleges). All economics and quantitative methods courses are excluded from this 25 percent calculation.
