

Bachelor of Science in Economics in FOUR Academic Years (2017)

This is a breakdown of how a student, knowing he or she wishes to be an Economics (BS) major upon entering OU, could complete the General Education, Economics Cognate, and Economics Core requirements within a four-year period of time. The plan assumes that a student takes one General Education course that also double counts to meet US Diversity. This plan is only an example and students should still regularly meet with an academic adviser.

*The below plan is based on a student placing into WRT 1050 and into MTH 1221. Students who place into different MTH and WRT courses will need to adjust this plan.

Year	Fall	Winter	Summer	Total
1	4 crs. - MTH 1221 4 crs. - WRT 1050 4 crs. - ECN 2010 3 crs. - MIS 1000 Total: 15 crs.	4 crs. - MTH 1222 4 crs. - WRT 1060 4 crs. - ECN 2020 4 crs. - GEN ED Total: 16 crs.		31 crs.
2	4 crs. - ACC 2000 3 crs. - QMM 2400 4 crs. - WRT 3082 4 crs. - GEN ED Total: 15 crs.	4 crs. - ACC 2100 3 crs. - QMM 2410 3 crs. - ECN Elective 4 crs. - GEN ED 3 crs. - ECN elective Total: 17 crs.		32 crs.
3	4 crs. - FIN 3220 3 crs. - ECN 3020 3 crs. - ECN 3030 3 crs. - ECN elective 4 crs. - GEN ED Total: 17 crs.	3 crs. - ECN 3040 3 crs. - ECN Elective 10 crs. - Free elective Total: 16 crs.	Student may need to take required courses and/or free elective credit in summer to finish program with 128 credits and all course requirements completed.	33 crs.
4	4 crs. - GEN ED 3 crs. - ECN 4050 9 crs. - Free elective Total: 16 crs.	3 crs. - ECN Elective 13 crs. - Free elective Total: 16 crs.		32 crs.
Total must be at least 128 credits
