

## Bachelor of Science in Operations Management in FOUR Academic Years (2017)

This is a breakdown of how a student, knowing he or she wishes to be an Operations Management major upon entering OU, could complete the General Education, Pre-Core, Business Core, and Business Major requirements within a four-year period of time. The plan assumes that a student takes one General Education course that also double counts to meet US Diversity. This plan is only an example and students should still regularly meet with an academic adviser.

Note: While all Business Administration majors follow the same General Education, Pre-Core, and Business Core requirements, Major requirements may be between four and eight classes depending on which of the eight possible majors in Business Administration is chosen.

\*The below plan is based on a student placing into WRT 1050 and into MTH 1221. Students who place into different MTH and WRT courses will need to adjust this plan.

Year	Fall	Winter	Summer	Total
1	4 crs. - MTH 1221 4 crs. - WRT 1050 4 crs. - ECN 2010 3 crs. - MIS 1000 0 crs. - SBC 1990  Total: 15 crs.	4 crs. - MTH 1222 4 crs. - WRT 1060 4 crs. - ECN 2020 4 crs. - COM 2000 or 2403 0 crs. - SBC 2990  Total: 16 crs.		31 crs.
2	4 crs. - ACC 2000 3 crs. - QMM 2400 4 crs. - WRT 3082 4 crs. - GEN ED  Total: 15 crs.	4 crs. - ACC 2100 3 crs. - QMM 2410 4 crs. - GEN ED 3 crs. - ORG 3300 3 crs. - MIS 3000  Total: 17 crs.		32 crs.
3	3 crs. - MGT 3500 3 crs. - ECN 3030 4 crs. - GEN ED 4 crs. - POM 3430 4 crs. - MKT 3020  Total: 18 crs.	4 crs. - FIN 3220 3 crs. - ORG 3310 3 crs. - POM Elective 3 crs. - POM Elective 4 crs. - GEN ED  Total: 17 crs.	Student may need to take required courses and/or free elective credit in summer to finish program with 128 credits and all course requirements completed.	35 crs.
4	4 crs. - GEN ED 3 crs. - POM Elective 3 crs. - POM Elective 3 crs. - Free Elective 3 crs. - Free Elective  Total: 16 crs.	4 crs. - MGT 4350 3 crs. - POM Elective 3 crs. - POM Elective 4 crs. - Free Elective 0 crs. - POM 3990  Total: 14 crs.	The major offers three separate specializations in Project Management, Supply Chain Management, and Lean & Quality Management. Consult an academic adviser for POM Elective selections to satisfy requirements for these specializations.	30 crs.
Total must be at least 128 credits
