

Psychology B.A. Major Partnership with Wayne State Law 3+1 (2017-18)

This is a breakdown of how a student, knowing they wanted to be a Psychology major upon entering OU, with plans to attend Wayne State University Law School*, could complete the General Education, CAS Exploratory and major requirements within a 4-year period of time. This sample schedule is an example only and not a guarantee of course offerings for the 3+1 agreement.

*The below sample schedule is based on ACT English 16-27/SAT Writing 410-610 and ACT Math 22-27/SAT Math (old)** 520-630; (new)** 550-650 or AP/IB/CLEP equivalents*

Total = 124 credits			

Note: PSY 2510 requires a prerequisite of both PSY 2500 and competency in intermediate algebra. Competency is demonstrated by completing MTH 0662 (Intermediate Algebra), having an ACT math score of 22 or higher, having an SAT math score of 520 (old) or higher or 550 (new) or higher, or taking the math placement exam and achieving a level “R” through the Mathematics and Statistics department. Students should plan to complete the math prerequisites as soon as possible if placement is at or below the MTH 0662 level. Students are required to take one course in four of the five Domain categories: Evolutionary & Comparative; Cognition, Perception, & Biological; Developmental; Social Personality; Behavioral Health. The term “elective” may not be completely “free” in that this table does not address the university requirements of G.E. Integration or 32 credits at the 3000/4000 level. ** SAT (old) refers to exams taken before March 2016. SAT (new) refers to exams taken March 2016 and after.

*Wayne Law requires a minimum of 75 undergraduate credits for admission. Acceptance is done holistically relaying heavily on LSAT and undergraduate GPA. Once admitted and the first year of law school successfully completed, students transfer their Wayne Law courses (30 credits) back to OU toward fulfillment of their BA degree.
