...and the help continues

OU is committed to providing a rich and inclusive learning environment for students, which can only be accomplished by maintaining a diverse student population.

To promote this commitment and to support the academic success of superior academic achievements in challenging educational environments, OU offers a scholarship award to eligible high school graduating valedictorians from identified Michigan public school districts primarily serving low-income students.

Certified valedictorians with at least a 3.5 high school GPA and a score of 1200 or higher on the Redesigned SAT (ACT composite score of 25 or higher) will receive full tuition for four years provided all renewal criteria are met.

THE FAFSA

Complete the Free Application for Federal Student Aid (FAFSA) to apply for OU, federal and state financial assistance. Even if you think your family’s income is too high to qualify for financial need-based awards, it’s important to fill out the FAFSA. You might be eligible for grants, work-study opportunities, and subsidized loans. Most applicants who apply for financial aid through the FAFSA qualify to receive at least a low-interest unsubsidized loan. You are not required to accept any loans or other forms of financial aid.

The U.S. Department of Education uses your income level and other factors to determine your Expected Family Contribution (EFC). Your financial need is the difference between your estimated cost of attendance at Oakland University and your EFC.

PROTIPS

SCHOLARSHIPS
Based on academic merit (high school GPA and SAT or ACT score for freshmen and college GPA for transfer students) and do not require repayment. oakland.edu/scholarships

GRANTS
Based on financial need established by completing the FAFSA and do not require repayment. Oakland offers several grant options. oakland.edu/financialassistance

LOANS
Subsidized loans are based on financial need. They require repayment after graduation, and interest does not begin to accrue until repayment begins. Unsubsidized loans are not based on financial need. They require repayment after graduation, and interest begins accruing immediately. Parents of undergraduate students may be eligible for a Federal PLUS Loan. Interest rates on subsidized, unsubsidized loans and parent loans are low. oakland.edu/financialassistance

FEDERAL WORK-STUDY AND ON-CAMPUS EMPLOYMENT
Many OU students earn money with on-campus jobs. Eligibility for a Federal Work-Study position is determined by the FAFSA. However, many Oakland students work on campus even if they don’t receive Federal Work-Study. Job openings for students are posted online. oakland.edu/student-employment

To submit your FAFSA electronically, you’ll need to create a FSA ID which will be your official log in to U.S. Department of Education websites. To create your FSA ID, go to fsaid.ed.gov. Parents of dependent students will also need to create their own FSA ID.

To get help completing the FAFSA, register for a FAFSA workshop at oakland.edu/financialevents.

To maximize your financial aid award package, fill out the FAFSA as soon as possible after October 1 for the upcoming academic year.

Be sure to include OU’s federal school code (002307).

You must fill out the FAFSA each year you wish to be considered for financial need-based awards and loans.
