Financial Assistance

Tuition

$14,392

Types of Financial Assistance

- Scholarships: Based on academic merit (high school GPA and SAT or ACT score for freshmen and college GPA for transfer students) and do not require repayment. oakland.edu/scholarships

- Grants: Based on financial need (established by completing the FAFSA) and do not require repayment. Oakland offers several grant options. oakland.edu/financialaid

- Loans: Subsidized loans are loans based on financial need (established by completing the FAFSA) and require repayment to begin after graduation. Interest does not accrue on the subsidized loan until repayment. Unsubsidized loans are not based on financial need and require repayment to begin after graduation; interest begins to accrue immediately upon disbursement of the loan to the student's account. Parents of undergraduate students may be eligible for the Federal Parent PLUS loan, a credit-worthy loan used to supplement a student's financial aid package. Interest begins to accrue immediately upon disbursement of the loan to the student's account. oakland.edu/financialaid

Federal Work-Study and on-Campus Employment

Many OU students earn money with on-campus jobs. Eligibility for a Federal Work-Study award is determined by the FAFSA. Many OU students earn money with on-campus jobs. Eligibility for a Federal Work-Study award is determined by the FAFSA. oakland.edu/student-employment

Complete the FAFSA

Beginning October 1 each year students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) to apply for OU, federal, and state financial assistance. You could be eligible for grants, work-study opportunities, and subsidized loans as a result of completing the FAFSA. Most applicants who apply for financial aid through the FAFSA qualify to receive at least an unsubsidized loan. You are not required to accept any loans or other forms of financial aid. The Expected Family Contribution (EFC) is calculated when the FAFSA is completed and is used to determine your eligibility for need-based grants from OU, the Federal Department of Education, and State of Michigan.

Complete the FAFSA online at fafsa.gov beginning October 1, or shortly thereafter, prior to the school year you plan to attend. Be sure to include OU's school code (002307) to ensure your FAFSA is sent to Oakland University.

ProTips

- To submit your FAFSA online, you’ll need to create an FSA ID, your username and password to access and sign the FAFSA electronically. Create your FSA ID at fsaid.ed.gov at least one week prior to completing the FAFSA. Parents of dependent students will also need to create their own FSA ID.

- To get help completing the FAFSA, register for a FAFSA Appointment at oakland.edu/financialaidevents. Appointments begin in October.

- Use the Net Price Calculator (NPC) at oakland.edu/npc to obtain an estimate of OU’s direct charges (tuition and room and board for on-campus residents) and indirect expenses (an estimate of a student’s costs for books, off-campus housing or living at home with parents, commuting, and some living expenses). The NPC also offers an estimated financial aid package based on the GPA and SAT/ACT score of incoming freshmen. These charts provide an estimate of the annual undergraduate tuition for the 2017-18 academic year.

- Double occupancy on-campus room and board is estimated to be $9,910 per year. For additional information, please visit oakland.edu/housingrates.

- The cost of books and supplies will vary depending on the courses you take. The estimated cost is $764 per year.
