A COLLEGE EDUCATION IS A GREAT INVESTMENT

AT OAKLAND UNIVERSITY, WE’RE DOING ALL WE CAN TO HELP MAKE AN EXCEPTIONAL EDUCATION AFFORDABLE.

Today, more than half of all OU students receive financial assistance totaling more than $190 million annually. You can benefit from those funds, too — you just have to apply. Complete the Free Application for Federal Student Aid (FAFSA) annually beginning every October 1.

Read more to learn how to support your best investment with financial assistance from OU.

TYPES OF FINANCIAL ASSISTANCE

SCHOLARSHIPS
Scholarships based on academic merit (high school GPA and SAT or ACT scores for freshmen, and college GPA for transfer students) are provided by Oakland University, State of Michigan and other external agencies. Scholarships given to eligible students in their first year at OU, whether as freshmen or transfer students, require no additional application beyond the admission application, are eligible for renewal, and do not require repayment. Additional OU scholarships are available through academic and student service departments, funded by endowed or annual funds provided through generous private donors. Some department scholarships may require an application; eligibility criteria and applications can be viewed at oakland.edu/financialassistance on the OU Grants and Scholarships tab.

GRANTS
Grants based on financial need are provided by Oakland University, State of Michigan and the U.S. Department of Education. Students must complete the FAFSA each academic year to establish eligibility based on financial need. OU grants are given automatically to eligible undergraduate students, are eligible for renewal, and do not require repayment. View eligibility criteria at oakland.edu/financialassistance. State of Michigan grants also require the FAFSA and an application available through the MISSG Student Portal at michigan.gov/mistudentaid. Federal grants provided by the U.S. Department of Education require the FAFSA each year and recipients are automatically identified by OU and the U.S. Department of Education.

LOANS
Student loans are available from Federal Direct Loans as a result of completing a FAFSA. Loans must be repaid after students no longer attend, however there is no penalty for early repayment. Subsidized loans are based on financial need and do not accrue interest until loan repayment. Unsubsidized loans are not based on financial need and interest begins to accrue immediately upon disbursement of the loan. Parents of undergraduate students may be eligible for the Parent PLUS loan, a credit-worthy loan used to supplement the student’s financial aid. FAFSA is required to be offered the loan and if borrowed, interest begins to accrue immediately upon disbursement of the loan.

STUDENT EMPLOYMENT
Students are encouraged to supplement their in-class learning with student employment experience while earning a paycheck. Oakland University academic and student service departments hire students in various positions around campus. Students earn at least minimum wage, learn new skills, network and gain valuable experiences helpful in their future careers. Some students may receive federal work-study as part of their financial assistance. These funds are used to supplement OU funds used to pay students’ wages. All on-campus student employment opportunities can be found on Handshake through the MySAIL student portal.

We’re here to help. For more information about financial aid, contact OU Student Financial Services at (248) 370-2550 or email finservices@oakland.edu.

For full scholarship and grant terms, conditions and renewal criteria, visit oakland.edu/scholarships.
Beginning October 1, each year students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) to apply for OU, federal, and state financial assistance. You could be eligible for grants, work-study opportunities, and loans as a result of completing the FAFSA. Most applicants who apply for financial aid qualify to receive at least an unsubsidized loan. You are not required to accept any loans or other forms of financial aid.

The Expected Family Contribution (EFC) is calculated when the FAFSA is completed and is used to determine your eligibility for need-based grants from OU, the Federal Department of Education, and State of Michigan.

Complete the FAFSA online at fafsa.ed.gov beginning October 1, or shortly thereafter, prior to the school year you plan to attend. Be sure to include OU’s school code (002307) to ensure your FAFSA is sent to Oakland University. fafsa.gov

COMPLETE THE FAFSA

To submit your FAFSA online, you’ll need to create an FSA ID, your username and password to access and sign the FAFSA electronically. Create your FSA ID at fsaid.ed.gov at least one week prior to completing the FAFSA. Parents of dependent students will also need to create their own FSA ID.

To get help completing the FAFSA, register for a FAFSA Appointment at oakland.edu/financialevents.

Use the Net Price Calculator (NPC) at oakland.edu/npc to obtain an estimate of OU’s direct charges (tuition and room and board for on-campus residents) and indirect expenses (an estimate of a student’s costs for books, off-campus housing or living at home with parents, commuting, and some living expenses). The NPC also offers an estimated financial aid package based on the GPA and SAT/ACT score of incoming freshmen.
