# CURRENT DINING PLAN

| Meal Swipes | Declining | $7.46 | Total Meal Equivalency |
|---|---|---|---|
| 285 | $50 | 6.7 | 291.7 |
| 210 | $100 | 13.4 | 223.4 |
| 150 | $250 | 33.5 | 183.5 |

Every transfer meal used creates one less Vandenberg meal swipe. Total meals are a wash between Vandenberg meals and Food Court meals. Reset seven meals every week. Any unused transfer meals each week are lost but remain as Vandenberg swipe meals through the end of the semester.

# PROPOSED DINING PLAN

| Meal Swipes | Declining | $7.46 | Total Meal Equivalency |
|---|---|---|---|
| 300 | $250 | 33.5 | 333.5 an additional 41.8 |
| 225 | $325 | 43.5 | 268.5 an additional 45.1 |
| 165 | $425 | 56.9 | 221.9 an additional 38.4 |

No transfer meals with this plan. Greatly expands the number of declining dollars. Greatly expands flexibility in that declining dollars may be used at all campus food locations all the time for as large or as small a purchase. This more widely distributes usage locations and is likely to reduce lines in Food Court. Unused fall declining dollars carry into winter.

- $7.46 represents the average transfer meal cost in retail dollars between Subway ($6.40), Moe's ($9.18), Create ($8.10), Panda (8.05) and Chic fil A ($6.29).
