A program of Catholic Charities of Southeast Michigan

HISPANIC OUTREACH SERVICES

You should know...

- Only 62% of Hispanic students graduate from Michigan high schools
- Hispanic students are 13% less likely to pass the MEAP test than the general student population.
- Studies have shown that kids who participate in after-school programs earn higher grades, have improved attendance, have increased self-confidence, behave better in school, and are more apt to graduate.

How much time is required?

- Volunteer Tutors are needed for one or two afternoons per week in schools located in Auburn Hills and Pontiac.
- Commitment is for one semester.

Tutors do not need to speak Spanish.
