General Camp Information

- All OUCARES Summer Camp rooms are led by teachers specially certified to teach individuals with Autism Spectrum Disorders who have experience leading a group of individuals with ASD.
- The Assistant Teachers in our summer camps are practicum student teachers completing their graduate level coursework in Autism Spectrum Disorders. Practicum students learn many strategies and activities to engage students with ASD.
- OUCARES Summer Camp staff are highly qualified and trained to work with people with ASD.
- All camps maintain a 3:1 ratio of campers to staff per room, so you know that your camper will get the attention he or she needs. Each room will use visual schedules and supports to help each participant feel successful at camp.

OUCARES offers a variety of programs and events throughout the year for people impacted by ASD age 3 through adult.
