

ADULT Life Skills Camp

Who: For Individuals 16 yrs or older with High-Functioning ASD/Asperger's or PDD-NOS

What: Activities are structured, planned around different Life Skills. Programming is designed to build functional life skills, increase personal and independent skills and improve social interactions. Daily activities will include:

- Practical Living Skills (teamwork, clothing care, menu planning, grocery shopping, cooking)
- Interpersonal Skills (team-building, problem solving & calming strategies, conflict resolution, anger management, building self-esteem, social skills)
- Personal Management Skills (personal health care & hygiene, money management & safety, time management)
- Employable Skills (resume building and career prep information)

When: One 2 week session Mon-Fri 9am-3pm

Dates: July 20 - July 31

Where: Oakland University

Cost: \$650 for two week session. Limited Scholarships Available

Registration: Application packets are available on our website: oakland.edu/oucaries. Once all application forms are received, we will contact you to schedule an in-person assessment interview with both the parent/caregiver and potential camper.

General Camp Information

- All OUCARES Summer Camp rooms are led by teachers specially certified to teach individuals with Autism Spectrum Disorders who have experience leading a group of individuals with ASD.
- The Assistant Teachers in our summer camps are practicum student teachers completing their graduate level coursework in Autism Spectrum Disorders. Practicum students learn many strategies and activities to engage students with ASD.
- OUCARES Summer Camp staff are highly qualified and trained to work with people with ASD.
- All camps maintain a 3:1 ratio of campers to staff per room. Each room will use visual schedules and supports to help each participant feel successful at camp.

OUCARES offers a variety of programs and events throughout the year for people impacted by ASD age 3 through adult.

Go to www.oakland.edu/oucaries to find out more about:
