If you intend to complete MTA when following this major guide, take (COMM 104, PHYS 202, PHYS 206, or PSYC 220) or select another course from OU's **Knowledge Applications** category in order to satisfy OU's transferable General Education requirements.

Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):

- ENGL 101 **and** ENGL 102 (required prerequisite for coursework at OU)
- One MTA Approved Math course (can be satisfied by MATH elective options above)

TRANSFERRING WITHOUT MTA:

- Writing Foundations (ENGL 102)
- Formal Reasoning (MATH 141 or MATH 210)
- Arts
- Language and Culture (ENGL 112)

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

NOTES:

Students may transfer an unlimited amount of credit from Bay, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Bay academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
