TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at GRCC or at the [GRCC MTA Approved Courses](#) website. If you intend to complete MTA when following this major guide, take (COM 131, PH 126, PH 246, or PY 232) or select another course from OU's *Knowledge Applications* category in order to satisfy OU's transferable General Education requirements.

Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):

- EN 101 **and** EN 102 (required prerequisite for coursework at OU)
- One MTA Approved Math course (can be satisfied by MA elective options above)
- One MTA Approved Natural Sciences course (can be satisfied by CHM or PH elective options above)
- One MTA Approved Social Sciences course (can be satisfied by SO 251)
- Two MTA Approved Humanities courses

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [GRCC General Education Transfer Guide](#) for the GRCC courses that satisfy these specific OU General Education categories:

- Writing Foundations (EN 102)
- Formal Reasoning (MA 133 or MA 215)
- Arts
- Language and Culture (SL 171)
- Global Perspective
- Literature
- Western Civilization
- Knowledge Applications (COM 131, PH 126, PH 246, or PY 232)

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

NOTES:

Students may transfer an unlimited amount of credit from GRCC, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their GRCC academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
