

## Bachelor of Science in Nutrition

### Core Nutrition Courses

| Oakland University Courses             | Grand Rapids Community College Courses                             |
|--|--|
| NTR 2500                               | GH 200   |
| CDS 2100                               | GH 110 or 111  |
| BIO 1200                               | BI 151   |
| BIO 2006 <u>or</u> (BIO 2600 and 3621) | Satisfied by<br>(BI 121 and 122 at GRCC <u>and</u> BIO 3621 at OU) |
| BIO 3500                               | BI 127   |
| CHM 1440 and 1470                      | CHM 130 and 131  |
| CHM 1450 and 1480                      | CHM 140 and 141  |
| CHM 2340                               | CHM 260  |
| PH 3000                                | EXS 225  |
| PSY 1000 <u>or</u> SOC 1000            | PY 201 <u>or</u> SO 251  |
| STA 2220                               | MA 215   |
| WRT 1060                               | EN 102   |

### Nutrition Major Options

| Oakland University Options   | Student Choices  |
|--|--|
| Choose <b>12 elective credits</b> from the <a href="#">list</a>  | Many course options are available:<br>discuss electives and your career goals with an OU adviser     |
| Choose the <a href="#">Dietetics specialization</a> ; which prepares students for a career in nutrition and dietetics through specialized coursework and experiential learning activities. | <b>Earn a B- or higher in GH 200</b><br>in addition to completing a competitive application process. |

### TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at GRCC or at the [GRCC MTA Approved Courses](#) website. If you intend to complete MTA when following this major guide, take (COM 131 or PY 232) or select another course from OU's **Knowledge Applications** category in order to satisfy OU's transferable General Education requirements.

#### **Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):**

EN 101

One MTA Approved Social Sciences course (can be satisfied by completing PY 201 and SO 251)

Two MTA Approved Humanities or Fine Arts courses

### TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [GRCC General Education Transfer Guide](#) for the GRCC courses that satisfy these specific OU General Education categories:

- Arts
- Language and Culture
- Global Perspective
- Literature
- Western Civilization
- Knowledge Applications (can be satisfied by COM 131 or PY 232)

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email [shs@oakland.edu](mailto:shs@oakland.edu), or visit their [website](#) for more information regarding your major program.

**NOTES:**

Students may transfer an unlimited amount of credit from GRCC, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their GRCC academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
