

**Bachelor of Science with a major in Bioengineering**

**Major Requirements**

Oakland University Courses	Kalamazoo Valley Community College Courses
MTH 1554	MATH 160
MTH 1555	MATH 162
MTH 2554	MATH 260
APM 2555	MATH 264
PHY 1610	PHY 221 accepted
PHY 1620	PHY 222 accepted
CHM 1440 and 1470	CHM 120
CHM 1450 and 1480	CHM 130
CHM 2340	CHM 220
BIO 1200	BIO 101
BIO 1201	Satisfied by completing (BIO 101 <b>and</b> 104)
BIO 2600 and 3621	BIO 210
Economics Requirement	ECO 201 or 202

**There are four professional track options to choose from. The courses below apply to the specific track listed. It is recommended to meet with an academic adviser at OU to discuss the different track options.**

Oakland University Courses	Kalamazoo Valley Community College Courses
BIO 3500 (Molecular Engineering Track)	BIO 140
CSI 3450 (Bioinformatics and Genome Engineering Track)	CIS 175 <b>and</b> 275

Students may transfer an unlimited amount of credit from KVCC, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their KVCC academic adviser to maximize the applicability of coursework to specific requirements.**

**TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):**

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at KVCC or at the [KVCC MTA Approved Courses](#) website. Completing MTA when following this major guide will satisfy OU's transferable General Education requirements.

**Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):**

- ENG 160 (Review your MTA plans with an OU academic adviser)
- One MTA Approved English Composition or Communications course
- One MTA Approved Social Sciences course
- Two MTA Approved Humanities or Fine Arts courses

**TRANSFERRING WITHOUT MTA:**

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [KVCC General Education Transfer Guide](#) for the KVCC courses that satisfy these specific OU General Education categories:

- Writing Foundations (ENG 160)
- Arts
- Language and Culture
- Global Perspective
- Literature
- U.S. Diversity

**All prospective students should call the School of Engineering and Computer Science (SECS) Academic Advising Office at (248) 370-2201 to schedule an appointment. Their office can also be contacted by email at [secsadvising@oakland.edu](mailto:secsadvising@oakland.edu), or visit their [website](#) for more information.**

## **NOTES:**

Transfer students are admitted directly to the major if they have a cumulative GPA of 2.8 or higher, if students have a GPA between 2.5 and 2.79, they are admitted as a “Candidate” to the SECS, and will need to meet established criteria to change their major.

Students apply for major standing once they have completed math, science, and core engineering courses.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

## **SCHOOL OF ENGINEERING AND COMPUTER SCIENCE (SECS) TALKING POINTS:**

Learn more about OU's [ABET accredited programs](#): (Mechanical Engineering, Computer Engineering, Electrical Engineering, Industrial & Systems Engineering, Information Technology and Computer Science). **The first class of the Oakland University Bioengineering program under the new curriculum has already graduated in the winter of 2020. ABET is anticipated to perform a site visit in the fall of 2021. According to ABET policies, retroactive accreditation may be granted to cover students who graduated during the academic year prior to the evaluation visit. Therefore, any student graduating from the new curriculum at the end of or after fall 2020 will graduate from an ABET accredited program if the accreditation is granted in fall 2021.**

Learn about ways to [get involved](#) in over 20 student organizations affiliated with SECS, as well as different professional organizations related to careers in engineering and computer science!

OU students also participate in competitions such as Intelligent Ground Vehicle, [Formula SAE](#), North American International Auto Show in Detroit, GrizzHacks, and Maker Faire Detroit.

OU offers a number of [scholarship opportunities](#) to students in the School of Engineering and Computer Science to help pay for your education.

The School of Engineering and Computer Science offers a wide variety of [opportunities for undergraduate research](#).

SECS students can work with a career consultant about your resume, job search or to practice your interviewing skills. There are also a number of networking events each month and [resources available through Career Services](#). Employers from hundreds of companies participate in our annual Engineering and IT Career Fair in search of Oakland students to fill internship and full-time opportunities. 85% of SECS graduates from July 2019 to June 2020 completed an internship or internship-like experience.
