TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at KVCC or at the [KVCC MTA Approved Courses](#) website. If you intend to complete MTA when following this major guide, take (COM 101, PHY 112, PHY 202, or PSY 160) or select another course from OU's **Knowledge Applications** category in order to satisfy OU's transferable General Education requirements.

Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):

- ENG 160 (required prerequisite for coursework at OU)
- One MTA Approved English Composition or Communications course
- One MTA Approved Math course (can be satisfied by MATH elective options above)
- One MTA Approved Natural Sciences course (can be satisfied by CHM or PHY elective options above)
- One MTA Approved Social Sciences course (can be satisfied by SOC 102)
- Two MTA Approved Humanities or Fine Arts courses (can be satisfied by taking COM 101 and FRL 160)

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [KVCC General Education Transfer Guide](#) for the KVCC courses that satisfy these specific OU General Education categories:

- Writing Foundations (ENG 160)
- Formal Reasoning (MATH 160, MATH 216, or MATH 220)
- Arts
- Language and Culture (FRL 160)
- Global Perspective
- Literature
- Western Civilization
- Knowledge Applications (COM 101, PHY 112, PHY 202, or PSY 160)

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

Students may transfer an unlimited amount of credit from KVCC, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their KVCC academic adviser to maximize the applicability of coursework to specific requirements.**

NOTES:

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
