OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.

Students can apply for the Undergraduate Physical Therapy Research Educational Experience (UPTREE) to gain research experience, and an annual Physical Therapy Research Day gives students a forum to present research results.

OU's Doctor of Physical Therapy (DPT) program has a 100% pass rate, a 100% employment rate, and a 97% graduation rate (3-year average).
