

Bachelor of Science in Applied Health Sciences

Have already completed the course requirements for and earned the Associate of Applied Science degree in one of the following academic areas from an accredited community college or other institution of higher education:

- dental assisting,
 - health information technology,
 - medical assistant,
 - occupational therapy assistant,
 - pharmacy technician,
 - physical therapist assistant,
 - respiratory therapy, or
 - surgical technology.
- *Students who hold an AAS degree in any other medical or health-related field not listed above may seek permission to enroll from the Applied Health Sciences Program Director.*

Submit official transcripts showing AAS degree and all coursework completed with a minimum 2.0 GPA. Concurrent enrollment in a community college AAS program and Oakland University's AHS program is not permitted.

There are two tracks within this major program: Health Care Leadership, and Health Promotion. More details about course requirements can be found in the [catalog](#).

TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Mid Michigan or at the [Mid Michigan MTA Approved Courses](#) website. In order to completely satisfy OU's transferable General Education requirements when following this major guide, please reference the [Mid Michigan General Education Transfer Guide](#) and complete the courses that satisfy the following requirements:

- Writing Foundations (take ENG 222)
- Knowledge Applications (can also be satisfied by completing the Health Care Leadership Track at OU)

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [Mid Michigan General Education Transfer Guide](#) for the Mid Michigan courses that satisfy these specific OU General Education categories:

- Writing Foundations (take ENG 222)
- Formal Reasoning
- Arts
- Language and Culture
- Global Perspective
- Literature
- Western Civilization
- Knowledge Applications (can also be satisfied by completing the Health Care Leadership Track at OU)

Mid Michigan and OU currently have an [articulation agreement](#) that allows students to transfer in more credits than usual. Meet with a Mid Michigan academic adviser to learn more about this opportunity. Take either (HED 110 **or** HED 285) at Mid Michigan, and HED 285 at Mid Michigan could apply toward Health Promotion track elective credits.

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

NOTES:

Students may transfer an unlimited amount of credit from Mid Michigan, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Mid Michigan academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
