**NOTES:**

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.

The EHS undergraduate program is one of only 14 programs [accredited](#) by the applied science accreditation commission of ABET nationwide.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

Upon graduation, EHS graduates also earn a Graduate Safety Practitioner (GSP) professional certification, and the program has a 100% placement rate, with competitive salaries.
