TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Schoolcraft or at the [Schoolcraft MTA Approved Courses](#) website. If you intend to complete MTA when following this major guide, take (COMA 103, PHYS 182, PHYS 212, or PSYCH 229) or select another course from OU's **Knowledge Applications** category in order to satisfy OU's transferable General Education requirements.

Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):

- ENG 101 **and** ENG 102 (required prerequisite for coursework at OU)
- One MTA Approved Math (can be satisfied by MATH elective options above)
- One MTA Approved Natural Sciences course (can be satisfied by CHEM or PHYS elective options above)
- One MTA Approved Social Sciences course (can be satisfied by SOC 201)
- Two MTA Approved Humanities courses (one course can be satisfied by COMA 103)

TRANSFERRING WITHOUT MTA:

- Writing Foundations (ENG 102)
- Formal Reasoning (MATH 122 or MATH 150)
- Arts
- Language and Culture

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

NOTES:

Students may transfer an unlimited amount of credit from Schoolcraft, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Schoolcraft academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
