

Bachelor of Science in Clinical and Diagnostic Sciences

Clinical and Diagnostic Sciences Core Requirements

Oakland University Courses	St. Clair County Community College Courses
BIO 1200	BIO 120
BIO 2100, 2101 and 2600	BIO 271 and 272
CDS 2100	HE 102
STA 2220	MTH 120

***Additional course requirements vary by specialization. Please contact an Oakland University academic adviser for additional information about the course requirements for your intended specialization.**

Clinical and Diagnostic Sciences provides an experiential human-based education in biomedical, imaging, and clinical sciences, and is built upon the foundations of biology and chemistry. Please visit the [department website](#) or the [academic catalog](#) for additional information.

Specialization in Medical Laboratory Science (MLS) Requirements

Oakland University Courses	St. Clair County Community College Courses
CHM 1440 and 1470	CHM 111
CHM 1450 and 1480	CHM 112
CHM 2340	CHM 215
MTH 1441*	MTH 113*
PHY 1080	PHY 121 accepted
PHY 1090	PHY 122 accepted
WRT 1060	ENG 102 or 102H

*Some clinical programs may require MTH 113; check the individual clinical programs for current requirements

Specialization in Histotechnology (HT) Requirements

Oakland University Courses	St. Clair County Community College Courses
CHM 1440 and 1470	CHM 111
CHM 1450 and 1480	CHM 112
WRT 1060	ENG 102 or 102H

Specialization in Nuclear Medicine Technology (NMT) Requirements

Oakland University Courses	St. Clair County Community College Courses
CHM 1440 and 1470	CHM 111
MTH 1441	MTH 113
PHY 1080	PHY 121 accepted
COM 2000	SPC 101 or 101H
WRT 1060	ENG 102 or 102H

Specialization in Radiologic Technology (RAD) Requirements

Oakland University Courses	St. Clair County Community College Courses
PHY 1080	PHY 121 accepted
PHY 1090	PHY 122 accepted
WRT 1060	ENG 102 or 102H

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

Specialization in Pre-Clinical Professions (Medicine, Dentistry, Optometry, Veterinary Medicine) Requirements

Oakland University Courses	St. Clair County Community College Courses
CHM 1440 and 1470	CHM 111
CHM 1450 and 1480	CHM 112
CHM 2340, 2350 and 2370	CHM 215 and 216
PHY 1010 and 1100	PHY 121
PHY 1020 and 1110	PHY 122
WRT 1060	ENG 102 or 102H
Elective Credits (more options available at OU)	ENG (101 or 101H); MTH 113, 114; PSY 220

Specialization in Pre-Pharmacy Requirements

Oakland University Courses	St. Clair County Community College Courses
CHM 1440 and 1470	CHM 111
CHM 1450 and 1480	CHM 112
CHM 2340, 2350 and 2370	CHM 215 and 216
MTH 1554	MTH 114
PHY 1010 and 1100	PHY 121
WRT 1060	ENG 102 or 102H

Specialization in Pre-Physician Assistant Requirements

Oakland University Courses	St. Clair County Community College Courses
BIO 1201	Satisfied by completing (BIO 120 and 121)
CHM 1440 and 1470	CHM 111
CHM 1450 and 1480	CHM 112
CHM 2340	CHM 215
PHY 1010 and 1100	PHY 121
PSY 1000	PSY 180 or 180H
PSY 2250	PSY 220
WRT 1060	ENG 102 or 102H

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at SC4 or at the [SC4 MTA Approved Courses](#) website. If you intend to complete MTA when following this major guide, take (SPC 101/101H, PHY 122, or PSY 220) or another course from OU's **Knowledge Applications** category in order to satisfy OU's transferable General Education requirements.

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please contact the School of Health Sciences Academic Advising office for the coursework that will be required for your specialization, and reference the [SC4 General Education Transfer Guide](#) for the SC4 courses that satisfy the applicable OU General Education categories.

NOTES:

Students may transfer an unlimited amount of credit from SC4, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their SC4 academic adviser to maximize the applicability of coursework to specific requirements.**

Students must have a minimum cumulative transfer GPA of 2.8 in order to be admitted to the Clinical Diagnostic Sciences curriculum.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.

The Bachelor of Science in Radiologic Technology is [accredited](#) by the Joint Review Committee on Education in Radiologic Technology (JRCERT).

Please visit the department website for additional information regarding [specialization internships](#). Acceptance into internship programs is competitive and is based on grade point average, personal interview, and letters of recommendation. Students must submit a formal application for each program for which they seek consideration.
