If you intend to complete MTA when following this major guide, take (PHY 122, PHY 222, PSY 220, or SPC 101/101H) or select another course from OU's **Knowledge Applications** category in order to satisfy OU's transferable General Education requirements.

**Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):**

- ENG (101 or 101H) **and** ENG (102 or 102H) (required prerequisite for coursework at OU)
- One MTA Approved Math course (can be satisfied by MTH elective options above)

**TRANSFERRING WITHOUT MTA:**

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [SC4 General Education Transfer Guide](#) for the SC4 courses that satisfy these specific OU General Education categories:

- Writing Foundations (ENG 102 or 102H)
- Formal Reasoning (MTH 114 or MTH 120)
- Arts
- Language and Culture
- Global Perspective

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email [shs@oakland.edu](mailto:shs@oakland.edu), or visit their [website](#) for more information regarding your major program.

**NOTES:**

Students may transfer an unlimited amount of credit from SC4, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their SC4 academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
