

RN-BSN Degree Completion Sequence

Congrats on completing your RN degree at West Shore! Let OU and West Shore help you complete your BSN!

Below are step-by-step instructions for completing additional requirements at West Shore before transferring to OU to finish up your last 32 credits. We recommend meeting with your West Shore adviser to create an individualized transfer plan.

***Please note that steps 2 & 3 can be worked on before, during, or after your RN degree.**

1. Complete Associate Degree in Nursing (ADN) with a cumulative GPA of 2.5 or higher.
2. Complete Michigan Transfer Agreement (MTA) requirements
 - a. Meet with your West Shore adviser to determine what is needed for MTA
 - b. Below is information to help you in your meeting with a West Shore adviser

MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at West Shore or at the [West Shore MTA Approved Courses](#) website.

Additional course requirements for MTA when completing ADN (minimum 30 credit hours required for MTA):

- One MTA Approved Math course
- One MTA Approved Humanities or Fine Arts course

3. Take (ALH 114 or PSY 265) to fulfill OU general education requirement in Knowledge Applications
4. Submit official transcripts to OU (including designation of "MTA Satisfied" on the transcript). Then 63 credits will be awarded for completion of ADN, OU General Education requirements, and (ALH 114 or PSY 265).
5. An additional 30 credits will be awarded for successful passing of the National Council Licensure Examination for Registered Nurses (NCLEX-RN) for a total of 93 credits. OU will verify successful completion of the NCLEX-RN.
6. Complete 32 credits of BSN courses at OU in a year and walk away an OU graduate!
