In Memoriam

Our dear former OU student, Shelby Seyburn, the lab manager in Dr. Kana Taku's PTG lab, passed away on June 3, 2017, a month after she graduated. Her family and many others whose lives she touched in the Psychology Department have been working together to establish a foundation to keep her passion alive and assist psychology majors. Jenna, Lauren, and Kana attended the fundraiser event to kick off the Shelby Jane Seyburn Foundation on November 3rd (pictured below with Shelby's parents). They raised \$4,605 and are thankful for your support.
