Register for Corequisite Sections

Class Details will list all registration requirements, including corequisite requirements.

- Click on the title of the class

- Click Corequisites to see if any corequisite course is listed, if there are, you will need to register for both sections at the same time.

- First add the class you are viewing to your Summary.
- Click Search Again to search for the corequisite class.
- Enter Subject and Course Number
- Click Search
- Add the corequisite to your Summary
- Click Submit in Summary
- Successful registration will be shown as a Status of Registered
