

UCUI Meeting Minutes - October 5, 2020

Attendees: Christy Bryant, Sara Webb, Irene Shabazz, Malli Barremkala, Deb McGinnis, Michael Long, Sarah Newton, Roz Nowosielski, Michele Parkhill Purdie, Melissa Reznar, Scott Tiegs, Anne Zacharias, Anne Hitt (scribe)

1. Minutes meeting 9/21/2020-Approved
3. SHS -EXS 4+1-Approved
4.

SHS -Program Modification Environmental Health and Safety Minor and Major
Discussion regarding the proposed modifications to the Major and Minor –the main questions/concerns were:

1. How can a 3 credit course be set as equivalent to either a 1 or a 2 credit course?

2. What is the impact on the number of credits for the minor or major?

3. Do they need to teach out EHS 1000 or 1150 to current students? What is the plan?

4. The course title sounds like a self-help book rather than a University level course. Perhaps a title such as -Introduction to Occupational Safety or Introduction to Safe Work Practices would be more appropriate. These questions/concerns will be conveyed to the Program Director.

5. CAS -New Minor in Communication and Deaf Studies Discussion regarding the level of the required courses in the proposed Minor: The main concerns were:

1. There are no required 3XXX level courses in the minor. All other minors require at least 8 credits, if not more at or above the 3XXX level
2. A student from a community college or other 4 year school could conceivably transfer in the entire minor. These questions/concerns will be conveyed to the Program Director.

Future Meeting

1. SEHS -Program Modification Elementary Education
2. Program Review
