

CAMPUS DEVELOPMENT AND ENVIRONMENT COMMITTEE ANNUAL REPORT

1996-97

G. Brieger, Chair

Principal Concerns and Accomplishments

1. Reviewed and approved proposals for banners for Meadowbrook Theater and other campus occasions.
2. Reviewed plans for the Food Court in Oakland Center
3. Reviewed the proposals and installation of external and internal signage on campus
4. Reviewed and approved plans for expanded parking at Varner, O'Dowd, and Pryale Halls.
5. Continued to review the plans for the Student Recreation and Athletics Center
6. Reviewed the plans for the sports fields
7. Advised on the possible location of the proposed SBA building
8. Initiated a review of the southwest campus utilization
9. Continued its interest in campus furniture
10. Reviewed the plans for the library mall renovation
11. Sought remedies for perceived hazards in campus traffic patterns
12. Approved the installation of two swans on Beer lake to keep away Canada geese.
13. Reviewed plans for a major sign at the corner of Adams & University
14. Reviewed the plans for expansion of the concession facilities for Meadowbrook Festival.

Follow-up Activities for 1997-98

1. Continue review of campus building and landscaping plans
2. Revisit campus signage, especially near entrance
3. Develop plan for preservation of campus natural areas
4. Get more active student participation

Issues for Steering Committee and Senate

Should the CDEC present a mid-term report on campus developments?
