Would you please arrange to conduct, according to the procedures of your unit, an election to fill the number of seats shown in the "number-elected" column. The Dean of Arts and Sciences should note that the Performing Arts faculty are included in the College of Arts and Sciences for the purpose of this election, and such faculty members are eligible to vote in and serve from the College. Also, the Director of the Health Science and the Director of the Institute of Biological Sciences will need to collaborate on conducting an election for their combined faculty.

2.

For your convenience I have attached a current list of organized faculty, as shown in the files of the Office of the Provost. It is from this roster that your senators are to be elected. At the conclusion of your election, please advise Ms. Linda Hildebrand, Secretary of the Senate, of the names of your new senators. We would like to have the electoral process concluded by April 18.

Thank you for your cooperation.
