FISCAL YEAR ENDING JUNE 30, 2009**

1. **Division and Department:** President, Academic Affairs, Finance and Administration, Student Affairs.

The ancillary activities presented here represent a broad range of operations connected with and in support of the educational mission of Oakland University. A summary of the proposed budgets is attached as Appendix I. Further detail identifying internal revenue, General Fund support and administrative overhead for each ancillary unit can be found in Appendix II.

Each ancillary budget is presented in a similar format, using common terminology and revenue, expense and transfer categories. The "All Funds" budget model has been used to construct the presentation of these budgets. The all funds model is intended to provide a comprehensive picture of the financial activities of each unit. This format depicts operating and capital transactions in the General Fund, Auxiliary Fund, Designated Fund, Expendable Restricted Fund and Plant Fund. Gifts are included, but the fund balances in permanent endowments are not included as there is no discretion with regard to their use. Distributions from these endowments are income in the Expendable Restricted Funds and are included.
