Program? (M.S. or Ph.D.)

Year and semester for assistantship?

---

1. Graduate assistants participate in both the research and instructional programs of the school. Describe briefly the particular area in which you wish to work.
  
  
  
  
  
  
  
  
  
  
2. Describe any special training (academic or industrial) you have which you feel would be of help to you and to the school should you receive an assistantship appointment.
