EMPLOYMENT AND INTERNSHIPS

Note: Many of the URLs in this section contain active job and/or internship announcements. However, not all sites listed below are approved for internships or are appropriate for WHP students. Therefore, if seeking internship sites students should also consult the internship list posted separately, or listed in the student handbook. Students must determine if the site is approved for an internship or senior culminating experience project. Students should also consult with the WHP Program Director. It will be useful to check other sections below e.g. government, grant funding/non-profit organizations, miscellaneous.
