General Education/MTA
Below are the two options available for satisfying Oakland University's General Education requirement. It is highly recommended that students complete the MTA before transferring to OU. Students must complete ENGL 1190 or ENGL 1220.

OPTION #1: Completing OU's General Education requirement when transferring with MTA. In many cases it is to a student's advantage to complete the MTA agreement to fulfill OU's General Education requirement (please confirm courses to take to fulfill the agreement with your Macomb academic adviser). **When transferring MTA, you must also satisfy the Knowledge Applications category. Equivalent courses can be found on the MCC General Education Transfer Guide. Knowledge Applications will be satisfied by either WRT 3082 or COM 2000.**

OPTION #2: Completing OU's General Education requirement by individual category For this option, each of the Gen Ed categories must be fulfilled by completing at least one course of 3 or more credits. A course may not be used in more than one of the categories. U.S. Diversity – When a course is approved for both the U.S. Diversity requirement and one of the categories, it may count toward both requirements. For more information about Oakland's General Education requirements, please refer to the catalog.
