### **TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):**

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Alpena or at the [Alpena MTA Approved Courses](#) website. In order to completely satisfy OU's transferable General Education requirements when following this major guide, please reference the [Alpena General Education Transfer Guide](#) and select one course from OU's **Knowledge Applications** category.

#### **Additional course requirements for MTA when following this major guide**

**(minimum 30 credit hours required for MTA):**

(ENG 111 or 121) **and** (ENG 112 or 122) (required prerequisite for coursework at OU)

One MTA Approved Social Sciences course

Two MTA Approved Humanities or Fine Arts courses

### **TRANSFERRING WITHOUT MTA:**

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [Alpena General Education Transfer Guide](#) for the Alpena courses that satisfy these specific OU General Education categories:

- Writing Foundations (ENG 122)
- Arts
- Language and Culture
- Global Perspective
- Literature
- Western Civilization
- U.S. Diversity
- Knowledge Applications

### **NOTES:**

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email [shs@oakland.edu](mailto:shs@oakland.edu), or visit their [website](#) for more information regarding your major program.

Students may transfer an unlimited amount of credit from Alpena, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Alpena academic adviser to maximize the applicability of coursework to specific requirements.**

The program also offers a unique [Orthotist and Prosthetist Assistant Studies \(OPA\) concentration](#), which equips students with the skills needed for one-on-one patient care under the direction of a certified orthotist or prosthetist. **Students interested in this concentration can also transfer BIS 160 from Alpena to OU.**

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.
